Mr. Harold Gabriel
 General Counsel
 Andron Construction Corporation
 21 Anderson Lane
 Golden Bridges, NY 10526

Re: Power Optech Invoices Due And Owing

Dear Mr. Gabriel:

Power Optech, LLC ("Power Optech") has retained me to represent them in collecting the one-hundred sixty seven thousand four-hundred forty-nine and thirty-one cents (\$167,449.31) that Andron Construction Corporation ("Andron") owes them ("Unpaid Balance").

My review reveals that Andron entered into a valid and binding sub-contracting arrangement and/or a course of dealing with Power Optech during the years 2005 and 2006 and that pursuant thereto Power Optech provided what is commonly referred to as electrical contracting and construction services ("Services") to end customers of Andron. Correspondence from personnel of Andron acknowledges that the Services were received and that Power Optech labor and materials are part of the construction projects Andron delivered to its various end-user customers. A limited number of invoices were paid by Andron, however to date the Unpaid Balance has not been received by Power Optech.

Final demand for payment of the Unpaid Balance of \$167,449.31 is hereby made. If payment is not received by the undersigned at the letterhead address on or before April 12, 2007, I have been instructed to commence legal proceedings to recover said amount, along with associated costs and expenses incurred by Power Optech as a result of such a proceeding.

Very truly yours,
